

Volunteer of the Year

Each year countless volunteers generously share their time, energy and talents to support people living with Parkinson's and their families. Volunteers are vital to Parkinson Society Southwestern Ontario's positive growth and ability to fulfill our mission. They bring light and life as they raise awareness and funds in the communities in which they live and work, often inspiring others to do the same.

We need your help! This year we would like to celebrate the contributions of one exemplary volunteer. We are seeking your nominations for someone who stands out as an example of exceptional dedication and commitment to people living with Parkinson's.
